LOVE YOU
GUYS!*

Once upon a time...

There was a girl [about 13] who was an orphan. Her name was Addison.

She had periwinkle eyes, shoulder length brown wavy hair.

She was bullied in the orphanage. A lot! She was bullied because she was small for her age. Boys and girls older, younger or, in between teased her.

*One quiet night, after saying her prayers she
looked up to a star and whispered,*

“Now I wish upon a star in hopes that I will go far. In hopes to to sail across the sea. You should know this is better for me. If you don't say yes, I understand. I may be better off in this land.

Good Night.” said Addison, getting into bed.

*Later that night, a huge storm happened!
Everybody in the Orphanage rushed to the
storm cellar.*

Except.....

Addison. All the other children made her wash their clothes, make the breakfast, clean their rooms and do all the rest of the work.

Addison was exhausted. She was so tired she didn't hear the thunder or lightning.

When she woke up she realized she was on a pile of pink and orange flower petals!

Addison was stunned, even her bed at the Orphanage wasn't as good as this! She looked around, and saw that she was in some kind of fairy land.

Soon she saw two beautiful fairies gliding over to her. "Who are you? what do you want from me?"

*"we are the fairies of the country of ruby,"
said the first fairy. "we brought you here for
help." said the second.*

*“how can I help you?” asked Addison. “Well, we heard a signal from back in your land, a source of magic.” Said the first fairy.
‘your magic.’*

Addison's hand went to her head. "I must have the flu! That has to be it, I can't believe any of this! But... I do hope this is all real any way. Anyway, what are your names?"

“My name is Zion, the fantasy fairy and unicorn-protector,” said the first fairy. “If you need magic do not hesitate to ask me.”

“and I am Penelope the nature fairy . And / on the other hand ,work as hard as I can to keep the forest alive.”said the second.

*"so I really have magic?" said Addison. "yes ,
you do" said Zion . "It's just astonishing how
well you can manage it !"*

*“What? I haven’t been doing anything at all!”
“than that wasn’t on purpose?” asked Penelope
, pointing behind Addison.*

*Addison whirled around and saw that she had
turned her flower petal stack into a unicorn.*

Soon Zion started to play with it.

"I'll call you G.G.!" she said. Addison was amazed at Zion and herself! "I can do that?!" said Addison.

"yes, you can." said Penelope. "and you brought up Zion's weakness, we'll have to bring it with us or she will go crazy." 'were bringing G.G. with us? Yay! Come on G.G., it time to go." said Zion.

*"go were?" asked Addison. "oh I almost forgot
. you need to conquer the storm fairy . she's
destroying the ruby country !"*

"it looks fine to me." said Addison. "oh that's because this is the only part of the country that the storm fairy can get to, sapphire state." said Zion, Playing with G.G.'s rainbow mane.

"it's the safest place here, but we must leave in order for you to defeat the storm fairy."
It had just hit her . she had completely forgotten that she was supposed to defeat the storm fairy.

"how do I defeat the storm fairy,
Zion?" asked Addison. "the list is is endless."
replied Zion. 'you could talk her out of it
,dispose her-'she was cut off
"I'm supposed to kill her?!" screamed
Addison. "um....." said the fairies.

After Addison calmed down , the real adventure began. 'how will we get there?' asked Addison curiously. 'We just follow the stormy path.' replied Penelope. 'the clouds! there stormy! That means we're getting closer!'

'Soon they got to a cave . 'should we go in ?'
asked Addison **yes ,you should come**
this way.' *echoed a voice inside the cave.*
This is the best way to the storm
fairy's layar.'

*'who are you?' said Addison shivering.
answer my riddle and I will reveal myself to
you.' it said 'what is your riddle?' shouted
Zion bravely.*

**'I have 6 eyes but I don't see light. I
have 3 hearts but I cannot love. I
double but my soul gets smaller. What
am I?' *it said 'a hydra!' screamed Zion.***

A hydra?!' Said Penelope and Addison. 'what's a hydra?'"a hydra is a mythical animal with 3 heads and the only way to kill it is if you slice off it's heads and seal the wounds with a torch. if you don't do that and just slice off its head it will grow 2 more heads! Do you understand now?'

Zion asked 'Yes,' replied Addison 'but what is in the cave?' **it was....** said the booming voice, 'Me.' and out came a small pointy eared troll! 'your a troll?' exclaimed Zion 'yes, I'm a troll you can call me Tippy.' it said. 'Oh! Is that a unicorn?'
